Access to Higher Education: Business

Would you like to study for a degree in business but lack the qualifications to do so? Our new 'Access to Higher Education Diploma in Business' could enable you to pursue your ambition.

Taught on Monday and Tuesday between September and May (9.30 to 14.30), you will study core units in business, marketing and administration that will lead to you achieving a 60-credit, Level 3 diploma.

This qualification is recognised by the HE sector as laying a suitable foundation for the pursuit of undergraduate qualifications in Business and related fields. We will also support you with the UCAS (university) application process.

The units that you will study are as follows:

1. Human resources for business
2. Business types and contexts
3. Leadership and management in business
4. Business communication
5. Marketing
6. Business finance
7. Economics
8. Business law
9. Business planning
10. Setting up a small business
11. Business Innovation and Growth through Social Media
12. Spreadsheet Software

In addition, candidates will complete a mandatory number of units relating to their 'Academic Skills' (Essay Writing, Critical Thinking and an Independent Academic Enquiry).
