

College Certificate in Criminology

**STARTING: Tuesday 21st April 2020,
12.30 – 2.30 pm for 10 weeks**

Would you like to study Criminology at equivalent to Level 2? Have you taken our beginner, intermediate and/or follow on courses and would now like to progress to the next level? Are you planning to take our Access to HE Diploma and include criminology as one of your chosen subjects? This course is part of our Elevate programme, and can be taken as an individual course or alongside other courses in the Programme. It will introduce you to a range of key concepts, theories and perspectives in the discipline and provide an ideal preparation for study of social science subjects on the Access to HE Social Sciences Diploma, including Criminology, Psychology and Sociology.

Topics covered may include:

- Different types of crime
- Biological/psychological/sociological explanations of crime
- Criminal Justice System (CJS)
- Consideration of criminality with reference to gender, ethnicity, class, age
- Issues including media, drugs, homicide and anti-social behaviour

The course will also include a foundation in academic study skills appropriate to this level, which will provide valuable preparation for further study, including the Access to HE Diploma course.

Cost: Free
