## ONCE A CRIMINOLOGIST ALWAYS A CRIMINOLOGIST!

I would love to keep you cognitively engaged over the coming weeks and months in preparation to join St. Vincent College Criminology Level 3 course in September. Below are several activities I would like you to engage in. I would like you to read, watch and listen to as many of the activities as possible and create a portfolio summarising the information you gather. I look forward to meeting you in September.  
Best wishes Nicky
