

Uniformed Protective Services

Research Task

Please think about your chosen Uniformed Protective Service and any specific role within that service.

For example:

- Royal Navy (Warfare Specialist / Submariner/Royal Marine Commando / Pilot)
- British Army (Infantry / Royal Engineers / Military Police etc)
- Royal Air Force (Ground Crew / RAF Regiment / Medic etc)
- Police Service (Rapid Response Driver / Dog Handler / Detective etc)
- HM Prison Service (Dog Handler / Tornado Team / PTI / Personal Officer etc)
- Fire & Rescue Service / UK Border Agency / HM Revenue & Customs / HM Coastguard.

Now research the entry requirements and selection process for that role.

- What qualifications do you need?
- What are the fitness tests?
- How do you apply?
- What are the steps / stages of the selection process?
- What is the pay and what other benefits do you get? (pension, medical care etc)

Thank you for completing this task. Keep your notes for use in our first lesson.
